HIGH LEVEL SKILLS

A photograph of two women in a professional setting. The woman on the right has vibrant pink hair and wears clear-framed glasses and a white button-down shirt. She is gesturing with her right hand while speaking. The woman on the left has dark hair and is seen in profile, listening. In the background, a whiteboard displays a quote: "Innovation is doing things." attributed to "Schmidt & Harvard professor".

Fill your vacancies with our student and graduate talent

The Student Employment Agency (SEA) can help you find a student or graduate to fill your casual, temporary or part-time roles.

The SEA can support with a variety of recruitment needs. Our talent pool is very flexible, and can work around your requirements, so whether you need someone for just a day, or several months, we can find a suitable hire for you.

If you want hires with high level skills, fresh thinking, and huge potential, you'll find them here. Our students study a wide range of subjects and have a variety of skills. Students and graduates also have a passion for learning and self-development, an important attribute in any talent.

A photograph of three students, two women and one man, looking at a laptop screen. The man is in the center, slightly behind the two women. They are all smiling and appear to be in a collaborative work environment. A large, semi-transparent yellow circle is overlaid on the right side of the image. The background is a light, neutral color.

What we offer

The Student Employment Agency will manage the full recruitment service for you, including writing job descriptions, advertising your vacancy; searching and selecting hires; arranging interviews; completing on-boarding and 'right to work' checks; and a full payroll service. The rates are very competitive, and we are flexible and responsive.
